Accredited for Pharmacists

*Not sold on its own. The Non-Sterile Seminar (and Home Study) and Non-Sterile Lab, together, make up the entire accredited activity. The Non-sterile Seminar date pairs with the corresponding Non-sterile Lab date featured that month (e.g., 19-20 Feb 2021 Non-sterile Seminar pairs with 27 Feb - 1 Mar 2021 Non-sterile Lab). Non-sterile Labs are scheduled for 3 days. Attendance will only be required for half the time according to Group A and Group B assignment in line with COVID-19 safety measures.
